

BRICK-CRETE™

(Brick Stencilled Concrete)

*The Ultimate In Decorative
Concrete Systems*

The Beauty of Brick... The Strength of Concrete!

Adding style to your home is the Australian Slate-Crete way.

Now the grace and elegance of brick, tile and stone can be enjoyed for a fraction of its traditional cost. **BRICK-CRETE** has the strength and durability of concrete with the beauty and charm of old world masonry craftsmanship.

With well over 1 million square metres laid annually, **BRICK-CRETE** is a proven winner with homeowners, builders, developers, architects and councils alike.

Any qualified concrete contractor can use **BRICK-CRETE**, so demand it by name...

BRICK-CRETE the ultimate in decorative concrete.

HERRINGBONE / MARIGOLD

We at Australian Slate-Crete Supplies have developed a unique, specially formulated product, with a difference.

A PRODUCT THAT:

- Provides excellent results in hot and cold conditions.
- Provides one product for all finishes.
- Prevents premature wearing.

WHETHER YOU ARE LOOKING FOR:

- Slate Finished Concrete
- Textured Brick Stencilled Concrete
- Pattern Paving
- or just plain coloured Concrete

with over 30 exciting colours to choose from, we have something for you.

Whether installing decorative concrete for domestic or commercial purposes, an Australian Slate-Crete™ product will beautify your environment and enhance the value of your property.

ADVANTAGES:

- Exceptionally hard wearing surface
- No more weeds
- Cost effective (one product for all finishes)
- Exciting colours to beautify your project
- A finish that is stronger than concrete itself
- Slip resistant
- Non fading colours
- Low maintenance

APPLICATION:

- Driveways
- Paths
- Patios
- Roadway
- Public thoroughfares
- or anywhere there is a need for concrete

Australian Slate-Crete™ Supplies – Quality of Product, Quality of Service, Export Quality.
